

Future-Defined Data Center - June 20 Announcement Article

ThinkSystem launch

Today, Lenovo launched ThinkSystem, a new portfolio of best-of-breed servers, storage and networking. Learn about what Lenovo Press documents have been published to bring you up to speed on the new offerings.

ThinkSystem

Learn about the new offerings on the Lenovo Data Center site:

<https://www.lenovo.com/us/en/data-center/>

ThinkSystem Servers

All the specifics about the new servers will be announced in mid-July, aligned with Intel's announcement of the Next Generation Intel® Xeon® Processor (codename Skylake), however you can view and interact with our 3D models of our new servers:

ThinkSystem FC SAN Switches and Directors

Lenovo has announced the following new Fibre Channel switching products. The ThinkSystem SAN Switches are 1U rack-mount components that offer 24 or 48 ports of high speed Fibre Channel connectivity including the latest 32Gb Generation 6 speeds.

The ThinkSystem FC SAN Directors deliver market-leading 32 Gb Gen 6 Fibre Channel technology with modular building blocks for increased scalability to accommodate growth for large-scale enterprise infrastructures. They provide full non-blocking performance with scalability to deliver up to 192 or 384 Fibre Channel ports that support 32 Gbps speeds.

ThinkSystem Networking

ThinkSystem RackSwitch top-of-rack network switches deliver network connectivity for your data center, now and ready for the future. An OS designed for modern leaf-spine cloud networks with a growing management ecosystem from Ansible, Nutanix, VMware, Ganglia, OpenStack and of course Lenovo XClarity.

ThinkAgile SX for Microsoft Azure Stack

Lenovo ThinkAgile SXM4200 and SXM6200 deliver pre-integrated, easy-to-deploy rack-level solutions for hybrid clouds to dramatically reduce time-to-value and total cost of ownership (TCO).

The solutions are based on Lenovo industry-leading data center infrastructure and Microsoft Azure Stack, an extension of Microsoft Azure Services to on-premises environments.
